

Just A Girl
No Doubt

Take this pink ribbon off my eyes

I'm exposed, and it's no big surprise

Don't you think I know exactly where I stand

This world is forcing me to hold your hand

Cause I'm ^{B2} just a girl - ^{A2} little ol' me ^G ^{A2}

Don't let me out of your sight

I'm just a girl, all pretty and petite

So don't let me have any rights

Oh~~ I've had it up to here!

D D/B D/Bb D/A

The moment that I step outside

So many reasons for me to run and hide

I can't do the little things I hold so dear

Cause it's all those little things that I fear

Cause I'm just a girl - I'd rather not be

Cause they won't let me drive late at night

I'm just a girl, guess I'm some kind of freak

Cause they all sit and stare with their eyes

I'm just a girl - take a good look at me

Just your typical prototype

Oh~~ I've had it up to here! ^{B2 A2 G A2} (x4)

Oh~~ ^{Am} I making myself clear?

I'm just a girl

I'm just a girl in the world

That's all you'll let me be!

I'm just a girl living in captivity

Your rule of thumb makes me worry some

I'm just a girl - what's my destiny

What I've succumbed to is making me numb

I'm just a girl - my apologies

What I've become is so burdensome

I'm just a girl - lucky me

Tweedle-dum, there's no comparison

Oh~~ I've had it up to

Oh~~ I've had it up to here...
